

Vocabulary Assignments

Complete one of the assignments below on the appropriate pages in your notebook.

Vocabulary Map - On the vocabulary map sheet write each word and definition in the table. For each word write a sentence using the word or draw a picture that demonstrates the meaning of the word. Your picture or sentence should show that you know the meaning of each word and/or how to use it correctly. [This option is highly recommended if you did not get an "A" on your pre-test]

Fruyer Vocabulary - On the Fruyer vocabulary sheet write each word. For each word describe its characteristics and provide examples of the word (synonyms) and non-examples of the word (antonyms).

Vocabulary Crossword - Create a crossword puzzle using your vocabulary words and definitions. More detailed instructions can be found on the crossword puzzle sheet.

Vocabulary Scene - Using your vocabulary words create a drawing that correctly depicts the definitions of each word. Be sure to write each word next to its representation.
